## NEW FEDERAL TAXES TO COME, SENATOR PAT HARRISON WARNS

Another Federal Deficit of Four Billion Dollars Faces Country; New Sources of Revenue Sought; More Persons to Be Hit.

By WILLIAM BRUCKART,  
(WNU Service, Washington)

It requires a considerable amount of courage for an active politician to talk about more taxes in an election year, and it is a hopeful sign when one tells the truth about such a politically delicate matter. When Sen. Pat Harrison, the veteran Mississippi Democrat, announced the other day that new taxes are coming, therefore, it becomes a matter of moment. It was significant first that Senator Harrison, speaking as chairman of the powerful senate finance committee, should boldly say there must be new taxes, and it was significant in the second place because Senator Harrison has not always stood shoulder to shoulder with the New Dealers.

But there is another Federal treasury deficit of something like \$4,000,000,000 staring us in the face, and the size of it indicates that no progress has been made whatsoever in curtailing federal spending. It tells us, too, that the much ballyhooed business recovery of a year ago is yielding less in taxes than had been calculated by the wishful thinkers.

Thirdly, the probable deficit seems to show there was at least some merit in the assertions by Senator Harrison and others in congress last winter that some of the New Deal policies are driving the country further into a hole instead of bringing it out.

Senator Harrison's statements constitute a warning that federal taxes must dig deeper. In effect, he told the country that the government has been taxing to the point where it cannot expect any increased returns from the present sources, however heavy the levies, and that the scope of taxes must be extended and expanded.

### More Persons to Be Hit By Federal Taxes.

What does that mean? Simply, it means that in any new tax laws that are enacted, congress will include a greater number of persons within the realm of federal tax sources; people who never have paid taxes to the federal government before are going to pay them hereafter. I am referring to income taxes, directly, but the way the picture looks to me, there will be more taxes that are indirect—and they hit everybody. If congress doesn't extend the scope of federal taxation, there will never be any chance of a balanced budget, and if the future does not bring forth a balanced budget, we may as well kiss our democratic form of government good-bye.

The reason I say there must be additional "hidden taxes," levies that are included in the cost of the consumer such as the cigarette tax, is that Senator Harrison's own statement shows there will be insufficient revenue raised by lowering the personal exemptions under the income tax laws or by making the tax heavier on those of, say, \$10,000 annual income and above. There can not be any large addition to the revenue gained in that field for the very good and sufficient reason that there are not enough of those taxpayers. Bureau of internal revenue statistics prove that about 60 per cent of the country's income earners have less than \$2,000 per family. As the laws now stand, a person who is married and has an income of \$2,000 or less need pay no tax. So it is seen that only a mere drop in the bucket of new revenue can be obtained in that direction, wholly because if all of them were taxed the amount still would be small. Yet, any serious attempt to raise revenue to balance federal expenses must include levies on the lower incomes as well as other new taxes that apply generally.

### Congressional House Committee to Visit Mississippi Gulf Coast

Congressman W. M. Colmer announces that a committee headed by Representative Otis Bland of Virginia, chairman of the House merchant marine and fisheries committee, would visit the Mississippi coast shortly to study the fishing situation with particular reference to shrimp. The committee will have headquarters in Biloxi and will make their recommendations to Congress.

## MISSISSIPPI HAS MORE VISITORS THAN LAST YEAR OF 1937

Reports Show Increase In Tourist and Sales Volume—Important Figures.

Two hundred and sixty-eight thousand additional tourists spent \$1,406,500 more money in Mississippi in 1937 than they did in 1936, according to figures released by the United States Travel Bureau thru the Mississippi Advertising commission.

Altogether, last year, visitors to Mississippi totaled 2,948,000 and spent \$14,371,500 as compared with a total of 2,680,000 tourists spending \$13,065,000 in 1936.

The figures quoted by the United States Travel Bureau were taken from estimates of the Continental Oil Company, which studies more closely than any other agency at the present time the trend of tourist travel in the United States.

For the first half of 1938 the United States Travel Bureau estimates that tourist numbers as a whole were up to the 1937 level, but that the dollar volume declined as a result of the business recession. No summary by states have been completed for the first six months of 1938.

In 1937, however, the tourist and travel industry in the United States was estimated by the bureau as being worth five billion dollars, making it the third largest industry in the nation.

Twenty cents of each tourist dollar in 1937 went for transportation in its various forms. Other businesses sharing the five billion dollar total expenditures were estimated as:

Hotels and other types of accommodations 20 per cent.  
Retail stores 25 per cent.  
Restaurants and hotel dining rooms 21 per cent. Recreation and amusements 8 per cent.  
Refreshment stands and confectioners 6 per cent.

Between seventy and eighty per cent of the tourist traveled by automobile, the bureau estimates, with railroads, motor coaches, and airlines following in the order named.

Once they arrived at their destination, the bureau quotes a 1936 survey of the American Automobile association as showing that 60 per cent of the visitors stayed at hotels, 20 per cent at tourist homes and 12½ per cent at tourist camps.

## MISS BOBBY COLLY, 18, LOCALLY RELATED VICTIM OF POOL FATALITY

Both She and Companion Electrocuted at Eagle Lake, Texas — Grandmother Resides at Lakeshore.

Miss Bobby Colly, aged 18, was one of the two victims electrocuted while swimming in a private bathing pool, which had been suddenly charged with electricity when a short circuit is said to have developed in the lighting arrangement, at Eagle Lake, Texas, was a daughter of J. R. Colly, son of Mrs. Robert Colly, who resides at Lakeshore, this county, and brother of Mr. Ira Colly, well-known Gulf Coast passenger agent for the L. & N. on the Gulf Coast.

The other life lost was that of A. W. Braun, 42, a world war veteran. Quite a party of friends were in the water that evening and all had left the pool when it is believed that the insulation had been worn off a light wire at the pool and caused a shortage, charging the water.

The father of the young lady, native of this county, is a retired railroad contractor and lived on his ranch estate, with Mrs. Colly and a younger daughter named Sue. The deceased was to have graduated from the Eagle Lake high school this coming semester.

## TWO LADS COME TO GRIEF SPENDING ILL-GOTTEN MONEY

Plead Guilty to Robbing Local Tills—Total Amount \$62.00—Mayor Pursues Wise Course.

Two lads are in the city jail awaiting such disposition as parental and official authority may decide to keep the two away from further wayward path.

They are Bobby Garriga, aged 11 years, and Charles Attaway, 13 years, residents of Bay St. Louis, and newsboys who ply their trade afternoons with New Orleans newspapers and fun into all kind of hazards with automobiles going to and fro.

They were arrested Monday by Chief W. T. Hobbs and charged jointly with theft of money.

They were given a hearing Tuesday morning in Mayor Blaize's city court and plead guilty to the charges, namely, of theft of cash from the Louisville & Nashville R. R. Company's cash draw at the depot and also of taking cash from the draw in the office of the Chevrolet Agency, Front and Court streets.

On Thursday of last week \$35.00 was taken from the L. & N. till and on Monday another visit to the office netted \$14.00 cash.

Saturday \$7.00 was taken from the Chevrolet Agency and on Sunday a second visit yielded \$6.00. The different amounts total \$62.00.

The boys spent their money freely about town with lavishness that aroused suspicion and the expected sequel followed.

Mayor Blaize, realizing the extreme youthfulness of the offenders said he did not wish to commit them with criminals but rather avoid such influence that would have anything but good effect. Consequently he ordered them held in the city jail until he was assured and satisfied each of the boys would be placed in an institution for correction. This was promised, but the boys will be held until such promise is put into effect. Hence the boys will be sent away.

Chief Hobbs expressed much sympathy for erring lads as much as he does his duty to the very letter and said he would co-operate in all manner possible to see that both are taken care of in such manner that their future will be safeguarded.

## Bay St. Louis Car Hit By Taxi at Gulfport

Alden Toca of Bay St. Louis, residing in New Orleans, and Joseph A. Schloegel, resident of Gulfport, received medical attention at the King's Daughters Hospital, Gulfport, at a late hour Sunday night after an automobile and taxi collided at a short intersection near the hospital. The car was the property of Mayor G. Y. Blaize of this city, and driven by his son, Eddie, accompanied by young Toca, son of George J. Toca. It was reported the taxi driver was to blame as the Blaize car was struck amid center, considerably damaged.

The taxi caught on fire when a lighted match thrown on the ground ignited gasoline leaking from its tank, it was said. The flames however were quickly extinguished by members of the fire department. Schloegel and Toca were discharged from the hospital, neither seriously hurt. Blaize escaped uninjured.

The matter will be thrashed out in the Gulfport police court and possibly the responsibility blamed.

Mayor Blaize said his car carried several types of insurance and he felt secure in the thought that damages would be taken care of.

Toca, who was out from New Orleans on a Labor Day week-end vacation, visiting at the home of his brother Marcel Toca, sustained the greater extent of injuries, none, however, of a serious nature.

## INJURED IN AUTO CRASH.

One man was hurt and three others escaped injury Tuesday in separate traffic mishaps.

The injured man was Bob Strong, son of Jack Strong, young man married over a year ago, who was hurt when a truck in which he was a passenger with "Tut" Monti, crashed into an oak tree on Front street here. At King's Daughters hospital 30 stitches were necessary to close the wounds in his head and face.

Occupants of two other cars escaped injury when they sideswiped about five miles west of here. Drivers of the cars were listed as Anthony Trenticost, New Orleans, and C. H. Garner, Bay Minnette, Ala. Both cars were damaged.

## SCOUTS ENJOY OUTING

Spend Three Days Camping at Fenton—Swimming, Fishing, Boating and Other Sports.

Thirty boy scouts, Troop 217, Bay St. Louis, returned home last Wednesday afternoon from a three-day camping expedition on Rotten Bayou, at Fenton, Miss.

The boys were under the supervision of scout master Fred E. Fayard, assisted by Assistant Scoutmasters, Alden Mauffray, Fred Fayard, Jr., and Jos. Colson, Jr.

The boys on their arrival at Fenton were greeted and welcomed by Mr. George Cuevas, who generously and willingly gave the use of his grounds and boats, where three large tents were pitched to house the campers. Fishing, swimming, boating, and other outdoor sports were indulged in, making every moment of the stay enjoyable, and justice was done three times a day at each meal, which was prepared by Mr. Dan Lafontaine, chef supreme, for a hungry group.

At night, members of the executive board remained with the boys, and on Tuesday night they had the pleasure of a visit of Father A. J. Gmelch, District Scout Executive, and his guest, Father Gilbert of Cullman, Ala. Mr. Joseph O. Mauffray and Karl Arnold, the latter remaining to return with the boys.

Alden Mauffray, Fred Fayard, Sr., and L. S. Elliott spent nights at the camp.

Two trucks, one from the Red Star Fish Market and the other from the Mauffray Store were used to transport the boys to and fro, carrying tents, equipment and provisions. Each boy was high in his praise of the good time had and offer thanks to all who in any way helped to make this outing possible.

Scouts making the trip were: Cyril Piazza, Elton Fayard, O. di Benedetto, D. Everett, Roy Favre, Alvin Luke, C. Carrio, Edwin Prevou, Herbert Carver, Muna Johnston, Harry Favre, H. Manquar, W. Staehle, Emile Piazza, Peter Benvenuti, John Ploue, Jules Arceneaux, Clifton Piazza, James Jones, Luke Elliott, Harold Kranky, Gerald Price, J. J. Porter, J. Scianna, R. Murtagh, Chas. Pechou, Donald Arceneaux, Russell Elliott, C. J. and James Fayard.

## Local Methodists To Hold Workers' Training School.

Bay St. Louis Methodists will hold Training School. Let the church school meet promptly at 10 a. m., Sunday, Sept. 11. Brother Irl H. Sells, of Jackson, Miss., Executive Extension secretary of our Conference Board of Christian Education, will preach at 11 a. m. He will conduct for us our workers training school for young people and adults, Sept. 11-16.

The text will be, "Methodism at Work," by H. B. Trimble. The class will meet each evening at 7 o'clock p. m., at the church. This one of the most important parts of our year's church work. May we have a good attendance.—Andrew J. Boyles, Pastor.

## SANTINELLI'S SEA TURTLE CATCH.

Edward Santinelli, fishing for speckled trout, hooked what observers say is one of the largest sea turtles ever caught in these waters. The turtle weighed 140 pounds, was 2½ feet across the back and 4 feet long.

Santinelli was going out toward the drawbridge of the L. & N. railroad, when he saw the turtle and tried to bait him but he would not bite on bait, so he eventually hooked him, by one of the flappers and was assisted in landing the turtle by a man in a skiff who was fishing.

The turtle was caught on a No. 7 hook and a 36-pound ashway line, and slaughter pole—the kind commonly used by most fishermen on the Gulf Coast.

## Bay St. Louis To Be Host To All Gulf Coast on Sunday

Sept. 18, Eucharistic Day

Sunday, September 18, is "Eucharistic Day" on this Coast. The celebration of this day will take place in Bay St. Louis but Bay St. Louis is only one coast community and the importance to every community on the coast—with this exception: that Bay St. Louis has been chosen by Most Rev. Bishop as host to all the coast on "Eucharistic Day."

Every Catholic on the Coast should come to Bay St. Louis Sunday, Sept. 18, to honor Our Lord in the Most Holy Sacrament of the Eucharist.

The two principal features of the day will be a Pontifical Mass with sermon in the church of Our Lady of the Gulf at 12 noon and a Procession with the Blessed Sacrament at 4 p. m. from the church of Our Lady of the Gulf to an outdoor altar

where a sermon will be preached and Benediction given of the Most Blessed Sacrament.

The fourth degree Knights of Columbus of the coast will be the guard of honor at the Mass and in the procession.

The ushers of the parish of Our Lady of the Gulf will act as marshals in the procession.

Societies which have banners are asked to have these banners carried in the procession. Societies wishing to march in the procession in a body are asked to make their wish known to their pastors so that a special place may be assigned to them.

All who can do so, are asked to join in the closing Hymn of Eucharistic Day which will be the Hymn: "Hosanna, Glory, Praise be Thine" composed for the Eucharistic Congress in New Orleans.

## DEMONSTRATION AGT. ANNOUNCES DATES OF SEPTEMBER MEETING

Directions How to Can Fruit Without Sugar For Diabetic Patients.

Many people have asked Miss Peters Hancock County Demonstration Agent, about canning fruits without sugar or with saccharine for diabetic patients. She is publishing a letter written by Miss Mary E. Dooney, food preservation specialist on this subject:

"In canning fruits without sugar, you follow the same recipe, omitting sugar. If you are using saccharine, one five grain tablet is equivalent to two tablespoonsful of sugar and should be dissolved in the syrup which is to be used in the jars. One difference which you will find in fruits canned with saccharine and with sugar is that the saccharine sweetened fruits will have a slightly different texture than those sweetened with sugar.

"If the fruits are canned without sweetening and saccharine is to be added after opening, I would drain the syrup and heat before stirring in the saccharine, then let the fruit stand in the warm syrup long enough to absorb the sweetening. No doubt, the person who is using the saccharine has developed a liking for the natural sugar in fruits and will not require as much sweetening as other people.

"Another consideration is that the fruits that really ripe before canning do not need as much liquid nor as much sugar added as those that are underripe and that would be a good thing for the person who is canning for a diabetic to take into consideration."

Miss Peters announces her "Homes" for Month of September, thus far planned:

Friday and Saturday, September 2nd and 3rd, meeting at Hattiesburg.

Friday, September 9th, Club Meeting, Sellers.

Monday, September 12th, Club Meeting, Lakeshore.

Tuesday, September 13th, Club meeting, Logtown.

Thursday, September 15, Club Meeting, Leetown.

Thursday and Friday, September 22nd and 23rd, Meeting at Hattiesburg.

Thursday and Friday, September 29th, and 30th, Meeting at Jackson.

If any changes are made they will be announced. Each week the program for the next week will be published as a reminder.

## CITY BAY ST. LOUIS SIGNS CONTRACT FOR NATURAL GAS SERVICE

Mayor and Commissioners Affix Signatures in Meeting Tuesday Morning With F. P. Joseph, Agent of City And Acting in Capacity of Consulting Engineer.

## GULF COAST SEAFOOD COMMISSION ELECTS V. SMITH, SR., HEAD

Pass Christian Resident to Serve Second Consecutive Term.

Vinson Smith, Sr., of Pass Christian was elected president of the Mississippi Seafood Commission for his second consecutive term at the annual meeting held in Biloxi Monday. Other officers to serve with Mr. Smith are: Geo. R. Smith, Pass Christian, attorney; Dr. M. R. Mosley, Biloxi, secretary; Charles Wentzell, Biloxi, chief oyster inspector; Sardin George Blaize, deputy inspector; Lee Beckham, Pascagoula, deputy inspector; Charles Palmer, Biloxi, captain of the commission boat Althea; Vardaman; Napoleon Netto, Delisle, engineer. Other members present included Walter J. Cox, Jr., Bay St. Louis; J. M. Lopez, Biloxi; E. H. Bacot, Pascagoula, and S. C. Spencer, Ocean Springs.

Various routine matters were discussed pertaining to the present season, including the continuation of planting shells, the work of which is now being done upon the Bay St. Louis tonging reefs. The board also discussed plans for the proposed new commission patrol boat.

## Commissioner H. Grady Perkins Addresses Bay Rotary; Hospital Subject.

Commissioner H. Grady Perkins was guest speaker before Bay St. Louis Rotary Club on Wednesday noon of last week, his subject: Rotary's Hospital for Cripples, at Memphis, Tenn.

Admitted to the hospital recently, through the co-operation of the Gulfport Rotary Club and Bay St. Louis club, he had a special message and spoke of the institution and its work first hand.

His praise of the hospital and the treatment received was without stint. He said it was one of the "finest in the country," adding that the services rendered would never be forgotten. He stated that he wished his hearers to know of the good work this hospital is accomplishing for humanity; that it is something Rotary should be justified in feeling proud of. The manner he presented facts were both illuminating and interesting. Rotarian Sy Engman, a director of the hospital board, was present and urged all who may visit this institution and to see first hand the work of rehabilitating humanity carried on.

## Pet and Hobby Show Auspices P.T.A. Only Two Weeks Off.

The Pet and Hobby Show is only two weeks off and interest is growing daily. The latest promises in pet division are a live turtle and a parrot. There are rumors concerning a marvelous collection of dolls for that section and in the hobby division Indian arrow heads heads and curious shells will be exhibited, in addition to the numerous hobbies mentioned last week. Ribbons will be given by a competent group of judges for the best displays in each division.

The Entry Committee who will receive and have charge of all entries will be Mrs. J. B. Goldman, Mrs. Roland Weston, Mrs. A. J. Boyles, Mrs. Josie Olson and the grade teachers. The refreshment Committee, in charge of all refreshments for sale, will be Mrs. T. T. Robin, chairman, Mrs. Leo Seal, Mrs. Eugene Mogabgab, Mrs. Townsend Wolfe, Mrs. S. H. Paillet.

The hours will be from 2 to 4 in the afternoon of Thursday, Sept. 22 at Bay High School and admission will be ten cents for everyone. The Parent-Teacher Association promises an interesting afternoon to all who come.

United States army will test new slate blue uniform, with idea of replacing present olive drab.

## At a continued regular meeting of the Board of Mayor and City Commissioners, city Bay St. Louis, Tuesday morning, Mayor Blaize and Commissioners Bourgeois and Perkins set their signatures to an agreement and contract with F. P. Joseph, consulting engineer and agent, for the installing of natural gas over an unlimited area within the incorporated limits of the city.

The rate procured for consumers is 1 cent less than prevails in Louisiana, towns and is considered of advantage. Gas will be sold to consumers at 39 cents per thousand cubic feet. This contract rate will obtain, up to October 23, 1940. After that date it will be 40 cents and the contract, will be in force for a term of 5 years. Supply will come from the United Gas Line Pipe Company, largest controllers of supply in the Louisiana field. And, it is understood, will come in from a point in the interior of the coastal line.

Signing of contract is told in the following legal and official phraseology, taken from the official minutes, viz:

Motion by W. L. Bourgeois, commissioner, duly seconded by G. Y. Blaize, that the contract by and between the United Gas Pipe Line Company and the City of Bay St. Louis be accepted.

Motion by W. L. Bourgeois, commissioner, duly seconded by H. Grady Perkins, that the Mayor G. Y. Blaize be and he is hereby authorized and directed to execute for and in behalf of the city by and between the United Gas Pipe Line Company and the City of Bay St. Louis for the furnishing of natural gas under the terms and conditions of said contract, which appears in the foregoing. All voted aye.

Engineer-in-charge F. P. Joseph, is here this week on the grounds, checking a survey made of the city recently and checking where hard-surfaced streets may be broken for the placing of gas mains with the least work and injury even though all broken surfaces must be reconditioned.

Mr. Joseph stated that now he had contract with the United Gas Pipe Line Company and had definitely and finally contracted with the city for a municipally-owned plant, he was unhampered and free to go thru with necessary work to make the project become a reality at earliest moment.

As formerly stated in The Echo, the plant will be owned and operated by the city. Self-liquidating bonds will be voted and issued to pay for the putting in of the plant. These bonds are self-liquidating and carry no ad valorem or special tax for their redemption. In other words no property is pledged for their redemption and payment of interest. However, the earnings of the plant will be in escrow to meet the obligations as they fall due. This same plan is followed in the various Louisiana towns where Mr. Joseph has already put in gas and the bonds always have ready buyer.

## Waveland Signs Contract.

At a regular monthly meeting of the Board of Mayor and Aldermen, of Waveland, held Tuesday night, Mayor Thomas J. Bourgeois and members of the council signed a similar contract as that for Bay St. Louis and residents of that town are jubilant over the material prospect of gas for their section. Lack of gas has been a severe handicap for Waveland summer residents and has proven a loss to the town.

From private information The Echo learns the municipality of Picayune, west of Bay St. Louis, over the Hancock-Pearl River line, has, through its officials, signified intention of joining forces with Bay-Waveland and procuring the services of gas. The rate is cheap and natural gas, as supplied by the United Gas Pipe Line Company is of high quality and carries much pressure.

## NEW UNIFORMS

A year's test of a new slate blue woolen uniform is underway by the Army with indications that the new uniforms will replace the olive drab fabric now in use. Preliminary tests indicate that the blue uniform is harder to distinguish in a field than the old uniform.

## NATURAL GAS FOR BAY-WAVELAND DEFINITELY CONTRACTED FOR.

THE Echo has ever advocated and fought for gas for the city of Bay St. Louis. When this writer was active executive head of Bay St. Louis Chamber of Commerce, with the aid of a very live and progressive secretary, and a potent membership, the matter received its initial movement. Not that we are seeking any credit. We are entitled to none. But to cite more emphatically our position. Publicly and privately we have never let up on the subject.

Now the good news comes in definite shape. The Board of Mayor and City Commissioners Tuesday morning signed the contract for natural gas with the firm that is already checking up on a survey recently made of the city and preparatory to going to work.

Tuesday night the Board of Mayor and Aldermen of Waveland signed a similar contract. Both cities are now united in the project and not only is gas assured but the matter is going to be put through with all reasonable haste.

This is good news. The best we have published for a long time, since it potentially affects the immediate success and future prosperity of the Bay-Waveland area.

The Echo recently stated when the matter of natural gas would be "signed, sealed and delivered" we would so inform our readers. And here it is!

Our news columns carry a more detailed story.

## PRISONERS MISTREATED.

THE death of four convicts in the Philadelphia County prison, where they were scalded to death by live steam turned into their cells during a hunger strike, is a tragedy that should serve as a warning to the people of the United States.

The punishment inflicted on these convicts, who were helpless to resist, was brought to light only because four of the convicts died. Nobody knows how many convicts, in other prisons, have suffered severe punishment without the cast of the officials coming to the attention of the public.

The Sea Coast Echo does not believe that anything like a majority of the officials employed in our penal institutions are brutal. At the same time, startling disclosures which come to light occasionally, indicate that there are some very callous individuals in positions where they can wreak vengeance upon prisoners they dislike. Until a tragic affair turns the spotlight on a specific prison, no one has any idea what goes on.

We do not believe in "coddling" prisoners. Their punishment should not become a glorified vacation from the cares and responsibilities of the outside world. At the same time, those convicted of violating the laws of our Government and sentenced by society to terms of imprisonment, have the right to expect just, humane and reasonable treatment. That many of them fail to receive this kind of treatment is a sad commentary on our penal institutions.

## NOT GOOD ADVERTISING FOR SEASHORE RESORT TOWN.

THE Associated Press correspondent at Biloxi, under date of August 25, sent out this "hot" press telegram: "The temperature was 98 degrees here at noon today, the hottest for the season."

Under same date this one from Jackson, ran jointly with the foregoing: "The official weather observer reported a temperature reading of 100 degrees at 2:30 this afternoon, the season's top."

## LABOR DAY SLAUGHTER.

CONSIDERING the high number of fatalities over Labor Day week-end the day might better be dubbed as Slaughter Day. The automobile brought more sorrow into many homes than any other agency of accident and death. In view of the generally publicized caution to be careful and 'safety first' the remedy seems to be hopeless. A source offers this confronting view, a poor one at that: It might have been worse.

## COURT TERM PRETERMITTED.

FALL term of Hancock County circuit court has been pretermitted and might possibly be held later during cooler weather and after election for circuit judge. It is probable, not authoritatively stated, however, the nominee might be appointed to hold a special term in order to expedite business of the court and that expeditiously and with a view of rigid economy.

## TO THE POLLS TUESDAY

VOTERS will go to the polls next Tuesday to cast ballots for candidates in the second primary for circuit court judgeship. Messrs. Graham and Corban are the contenders. Judge W. A. White is not seeking reelection and either of the forenamed, elected, will fill the term beginning with the first of the new year.

## PROPOSED BAY ST. LOUIS IMPROVEMENTS.

VOTERS of the city of Bay St. Louis will be called upon to vote on Tuesday, September 29, on four separate propositions concerning improvements that just now are of vital interest to the city, present and future. The four projects are paramount. Failure to carry will, in time prove of incalculable loss.

Here are the projects, as officially enumerated. The first figure represents the amount of money necessary to match federal funds; second figures total cost of improvement.

1. Community center, municipal pier, bathing beach and inner harbor, \$110,000. Total cost, \$200,000.
2. Addition to Central School equipment, \$23,000. Total cost, \$40,000.
3. Paving streets within city limits, \$23,000. Total cost, \$50,000.
4. Drilling new well and addition to waterworks system, \$10,000. Total cost, \$19,000.

The sum of \$144,000 will be donated the city in cash. This amount in bonds will be carried over a long term of years, the amortization not yet decided upon. However, authorities tell us the plan will be to carry this over as long a period as possible in order to make the annual payments of slight consideration. The usual time is 25 years at low rate of interest. If possible, authorities say they will extend this over a longer period. In this wise the extra millage would be infinitesimal.

Our city must go forward. Standing still is going backwards. No one will deny the necessity of a community center, municipal recreational pier and bathing beach. Summer crowds give Bay St. Louis the "go by" every week-end en route to other Gulf coast points where such improvements exist.

The addition to our Central School is most urgent due to the extra crowded condition. In time it will be necessary to rent additional school room. The project calls for the completion of the original WPA project and includes the building of eight additional class rooms—four on each side of the new gym, which is a WPA project.

Paving city streets that carry no hardsurfacing spells economy. The upkeep of these thoroughfares is expensive and of no lasting value. The subject leaves no room for argument.

And drilling an additional well and adding to the city's waterworks system means for more water for all purposes. The fire hazard is always a threatening element and a factor we cannot put aside. The possibility of fire stalks on every side. Protection is of such value that admits of no room for overestimation of value.

However, our people are intelligent. They have proven that repeatedly. They are willing to move forward. They are desirous of improvement, particularly the kind of such immediate import to our everyday life. And, confidentially, the \$144,000 to be given by the federal government cannot be forfeited for lack of civic interest and progressive spirit.

## SHORTCUTS THAT CUT OUT DISTANCE.

While the "short-cut" on Highway 90, connecting Pearl River bridge at Pearlington, with the highway near Bay St. Louis was opened Thursday afternoon of last week, a force of workmen this week are connecting the shortcut nearer into Bay St. Louis city with that juncture intersecting the roadway at Brown's Vineyard.

These are two major improvements in highway building shortening distance in two ways. First, reducing mileage; secondly eliminating curves—contours of roadway that are dangerous and consume time in driving.

Mississippi Highway Department has contributed immeasurably in this cause, connecting not only New Orleans with the Mississippi Gulf Coast, but the West with the East.

Bringing a city like New Orleans with its teeming thousands of population into closer proximity with the Bay-Waveland area is of value in more ways than one—commercially and socially as well. New Orleans is the one potent "feeder" to the Coast. It is well we bring it closer by means of better roads and curves that make for safety.

While the first shortcut on this side of Pearlington has been opened to traffic the second—that directly adjacent to Bay St. Louis will be made available to the traveling public within comparative short time.

## IT'S TIME FOR THE FAIRS.

IT IS estimated that something like three thousand county and community fairs will be staged in the United States during the next few months.

These community fairs will range between the extremes of excellence and worthlessness. Some of them will merely be an excuse for cheap carnival companies to set up midway stands that are marked by various gambling devices and undesirable shows. Others will present instruction through educational exhibits and aid in the development of trade and the upbuilding of the community in which they are held by the program set forth. The managers and directors of every community fair have the option of determining the character of the event, that they will stage.

In this connection, it is worth calling attention to the fact that the United States Government appropriates millions of dollars for participation in large fairs, such as the exhibitions to be staged by San Francisco and New York in the near future. The Government, through various departments, also participates in various State fairs and, occasionally, in some of the smaller events. If the Government can participate in the exhibitions held by the large cities and provide millions of dollars for so doing, we see no reason why the Government cannot make an appropriation each year, of at least three to five million dollars, to provide for educational exhibits at the various county, or community fair in the nation. Of course, it will not be possible for the Government to be represented at every community gathering but some participation is possible for hundreds of these fairs which annually attract thousands and thousands of people.

## WHAT THE PRESS IS SAYING OF MEN AND MATTERS IN EDITORIAL EXPRESSION

### BAILEY IS HONEST

(McComb Enterprise)  
TOM Bailey has announced for governor. For twenty years Tom has been in the Mississippi legislature. For twelve years he was speaker of the house. No man in Mississippi public life is more loved, more respected, or more endeared to the friends who know him. Tom Bailey is honest and honorable. He is clean and capable. He is likeable and lovable. He is genial and gracious. He is enterprising and earnest.

Too early to say who will be espoused by this newspaper in the campaign for governor. But it is not too early to say that Tom Bailey is all wool and a yard wide and guaranteed not to run down at the heel or anywhere else.

### SPENDING HAS TO STOP.

(McComb Enterprise)  
SENATOR Pat Harrison says, "This spending has got to stop." The senior Senator from Mississippi is right.

People must not forget that we cannot spend our way to prosperity. The pump has had time to be primed. Now we must let business alone and let it put men back to work.

Give the business of America assurance that the government will permit them to make profits on investments made and initiative and ingenuity will again be expressed in the commerce of America. This is what is needed to revive the economic life of this country.

## INTERESTING NEWS ITEMS OF THE MOVIES AND FILM FOLK IN HOLLYWOOD

METRO has abandoned plans for "Idiot's Delight" at present, giving international complications as the reason. However, there is a report of a fight being waged in the studio over the feminine lead being assigned to Norma Shearer. Clara Booth's "The Women," will take its place in the schedule.

Frank Morgan and Wallace Beery will be co-starred in "Gentlemen, Be Seated."

Franklin Pangborn has been signed for a part in "Topper Takes a Trip."

A story based on the Hines trial is being prepared and offers are being made for Edward Arnold to take the Hines part.

From August 5 to August 25 over half a million tickets were sold at the Roxy Theater in New York as admission for "Alexander's Ragtime Band."

Deanna Durbin is to be starred in a story based on the life of the Swedish singer, Jenny Lind.

Madeline Carroll, Fred MacMurray and Shirley Ross will head the cast of "Cafe Society."

Douglas Fairbanks, Jr., is receiving \$70,000 for his work in "Gunga Din." After that he has a contract with RKO for two pictures at about \$75,000 a picture.

Three of Mack Sennett's old money-makers are to be done again for the screen. They are: "Down on The Farm," "A Small Town Idol," and "Molly O."

Pare Lorenz, who made "The River" for the Federal government, has been commissioned to make a full length feature called "Ecce Homo," under a WPA grant.

When William Gargan completes his role in "Women of the Wind," he will join Leslie Howard in England for the picture, "Alias Mr. Jones."

Shirley Temple's next picture is to be an adaptation of Frances Hod-

gson Burnett's "The Little Princess."

Hope Hampton attended the premiere of her first starring talkie in Reno a few days ago. It was "The Road to Reno" and the cast also included Randolph Scott and Glenda Farrell.

Because of a disagreement over money Jack Oakie will leave RKO at the expiration of his contract on Sept. 11.

"The Great Music Festival" which was shelved when Jascha Heifetz and the producer clashed over the story has been taken down again and will be rewritten for the great violinist. A part will also be written in for Leopold Stokowski.

Joan Crawford is to have the part of the heroine in "Woman Without a Country." The story was suggested by the life of Barbara Hut-

A sequel to "Sing You Sinner," is being planned by Paramount with Bing Crosby and Fred MacMurray cast as the same character they portrayed in the first picture.

A new idea in premieres has recently been launched. New pictures are having their first showing not in Hollywood, but in locations suggested by the plot. For instance, "Gold is Where You Find It" was first shown in Weaverville, Cal., while "The Road to Reno" had its premiere in Reno. "Sing You Sinner" was shown at Bing Crosby's race track and "Cocacola Grove" was shown at the night club of that name. "Men With Wings" is to be first seen in an airplane hanger, while Bob Burns' "Arkansas Traveler" will be presented in Little Rock. "Spawns of the North" had a double premiere. It was shown in Seattle and also in Blowing Rock, N. C., to over a hundred mountaineers who had never seen a movie.

For "Dawn Patrol," Warner's has purchased ten Niennort fighting planes of the war period and equipped them with modern engines. Most of them will be crashed or burned during the filming of the picture.

## REGULAR MONTHLY MEET CO. BOARD SUPERVISORS.

### STATE OF MISSISSIPPI COUNTY OF HANCOCK.

Be it remembered that a regular meeting of the Board of Supervisors of Hancock County, State of Mississippi, was begun and held at the Courthouse of said county in the City of Bay St. Louis, on Monday August 1st, 1938, at 9:00 o'clock A. M., the same being the time and place for the holding of said meeting. There were present, to-wit: Chas. B. Murphy, President of said Board, Calvin Shaw, John B. Wheat, Jack Lott, and T. E. Kellar, members; Claud Monti, Sheriff of said county, and A. G. Favre, Clerk of said Board.

In the matter of real and personal assessment rolls for Hancock county, Miss., for the years 1938-1939.

This day came on to be considered by the Board of Supervisors of Hancock County, Mississippi, in the matter of objections to the real and personal property assessment rolls for the years 1938-1939, and it appearing that the said assessment roll has been heretofore filed by the tax assessor of this county, and has been examined and equalized by this Board of Supervisors as required by law, and that the required notice has been given to the public and to the taxpayers in the manner provided by law, at least ten days prior to this meeting; It is therefore ordered and adjudged that this Board of Supervisors will proceed to hear and determine any and all objections and exceptions thereto, which may be filed with respect to said assessment roll and the assessments therein contained; that this Board will sit from day to day until all objections and exceptions have been heard and determined, and all proper corrections made; that this Board will proceed to further equalize the said assessments and wherever it appears equitable will increase or diminish the valuation of any property so that the property of the same value shall be assessed for an equal sum; that this Board will add to the

roll any property found to have been omitted; that where an individual assessment is increased or where any omitted property is added to the roll, due notice will be given of such increase or addition and the owner of the property given an opportunity to present objections as required by section 3165 Mississippi Code of 1930; and that this Board will correct and change any erroneous assessment discovered or brought to its attention; and that this Board will proceed to do and perform any and all things required by law with respect to the said assessment roll, and the assessments therein contained, so that all property of every taxpayer will be assessed equally and uniformly.

Ordered and adjudged this 1st day of August, A. D. 1938.

The Board having taken up the matter of objections to the real and personal assessment rolls for the years 1938-1939 and same not being concluded,

It is therefore ordered that the further hearing of said objections be continued until Tuesday morning, August 2, 1938, at 9:00 o'clock A. M.

Be it ordered by the Board that the Board adjourn until Tuesday morning August 2nd, 1938, at 9:00 o'clock A. M.

CHAS. B. MURPHY, President.

Tuesday morning August 2nd, 1938 at 9:00 o'clock A. M. the Board met pursuant to adjournment, present as on Monday August 1, 1938.

## Notice To All Home Owners

Eligible to Homestead Exemption as authorized by House Bill No. 3 Extraordinary Session of 1938 of the Mississippi Legislature.

You will please take notice that application blanks are on file in my office at the City Hall for the filing of Homestead Exemptions pursuant to House Bill No. 3 Extraordinary Session of 1938, which bill provides for the exemption of homes from Municipal Separate School District Taxes. These applications must be filed immediately for the years of 1938-1939, during the month of September, 1938.

Please govern yourselves accordingly and file these applications as soon as practicable. No person will be eligible for the Homestead Exemption unless such is requested for and application is filed according to law.

W. L. BOURGEOIS,

Assessor and Tax-Collector, City of Bay Saint Louis, Mississippi.

the above described property, be and the same is hereby rejected.

This day came on for hearing and consideration by the Board of Supervisors, petition of John Kachler, Jr., for reduction in the assessment of real property, assessed to the said petitioner as the owner thereof, at the page 131 and line 11 on said 1937 real roll as shown in said petition, the said reduction being asked on the ground that the property has been assessed for more than its actual value.

It is, therefore ordered by the Board that the property assessed to the petitioner be reduced from \$600 to \$300.00 being a total reduction of \$300.00 for the year 1937.

Friday morning August 26th, 1938 at 9:00 o'clock A. M. the Board met pursuant to adjournment, present as on yesterday.

Resolution authorizing and directing the issuance of funding bonds of the County of Hancock, in the State of Mississippi, in the amount of \$75,000.00 for the purpose of taking up and redeeming legal and undisputed outstanding warrants and other obligations of said county; prescribing the form of said funding bonds and interest coupons to be attached thereto, and directing their preparation, execution, registration, validation and issuance; and providing for the levy of an annual tax sufficient to pay the interest on said bonds as it accrues and the principal thereof as it matures.

Whereas, Hancock County, Mississippi, has heretofore issued its warrants and incurred certain accounts for necessary legal and valid county expenses; which said warrants and accounts are listed and itemized in orders of this Board adjudicating the same as legal, valid and binding obligations of Hancock County, Mississippi, duly spread upon its minute; and as set forth forth in certificate of the clerk of this Board filed with this Board on August 24th, 1938, and now on file in the office of said clerk; each of the items set forth in said certificate having been considered by this Board and all of said items are hereby found and adjudged to be legal, valid and binding obligations of Hancock County, Mississippi.

Whereas, the aforesaid warrants and accounts of said county, as here-

tofore approved by said Board of Supervisors, now outstanding and unpaid, aggregate the principal amount and sum of \$96,121.99; which said warrants and accounts were validated as lawful and binding obligations of said county by House Bill Number 48, enacted at the extraordinary 1938 session of the Mississippi Legislature; approved July 28th 1938, and

Whereas, all of the aforesaid warrants, accounts and obligations are General County obligations of said county; and

Whereas, the balance in said county funds and uncollected taxes available for the payment of said warrants, accounts and obligations, is insufficient to pay all of the aforesaid items, and is sufficient to pay only \$21,121.99, thereof, leaving outstanding and unpaid warrants, accounts and other legal and valid obligations; hereinafter specified, aggregating the principal sum of \$75,000.00; and

Whereas, all of the aforesaid items are legal and undisputed warrants, accounts or other obligations of said county; and

Whereas, said county is authorized under the provisions of House Bill Number 48, enacted at the extraordinary 1938 session of the Mississippi Legislature, to take up and pay the aforesaid outstanding warrants, accounts and other obligations from the proceeds of serial bonds to be issued for that purpose, without an election being held on the question of the issuance thereof; and

Whereas, under the provisions of the aforesaid House Bill Number 48, this Board is authorized and empowered to provide for the issuance and sale of Bonds of said County in an amount sufficient to pay all of the aforesaid outstanding and undisputed warrants, accounts and obligations of said county, and said bonds shall not be subject to any statutory provisions, restrictions or limitations of law as to the amount of outstanding indebtedness of said county; and

Resolved by the Board of Super-

## It's Now Possible To Build—To Renovate—Your Home...

The hardship of lack of money and the more serious ordeal of paying back a loan are elements of discouragement and prevention that exist no longer.

Through an FHA (Federal Housing Association) loan, which we will get for you through the facilities of our bank, every advantage of such loan on easy and long-time payments.

Build a new house, repair or renovate a mold one; paint or otherwise improve your home, is no longer a seeming impossibility. Let our Bank help you. The government will do it. And we will help you. Let us explain.

## Waveland Activities

Personal and General News Notes of the Week From  
Sister City and Vicinity.

MRS. Phil Kammer with a party of friends is visiting in Indiana.

Mrs. Marie Weber has been appointed music instructor in Clermont, Lakeshore and Waveland schools.

Mission will close in Pearlington Sunday. Mrs. Weber, Mrs. Hanson, Miss Agnes Bourgeois and Miss Margaret Zimmerman assisted Father Haggerty.

Mrs. Hanson and charming family of five children left Thursday for New York to join Mr. Hanson. She has been here since June, enjoying the coast to the fullest extent. She made a host of friends.

Mrs. Henry Menzio and daughter, Lorraine, were week-end guests of Mrs. Hazel Lamer.

Mr. C. B. Mollere took a number of the younger set on his boat, the "Mine Too" Monday. Among his guests were Miss Josephine Tave-mina, Lorraine Menzio, Elaine Lamer, Mrs. Mollere and sons.

Rosemary Holdreth is home again after an extended visit to relatives in the city. Every moment of her stay was a pleasure.

Mr. and Mrs. Stephen Leech, Miss Estelle Swindler and Mr. Donald Cook visited Mr. C. O. Dufour for Labor Day week-end.

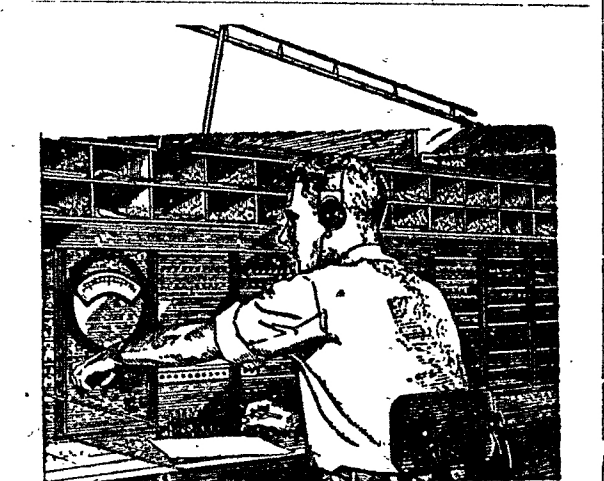

Miss Marjorie Bordages has returned from the city after a visit with her aunt Mrs. G. Geisler. Her weekend guests were Mrs. C. Akin and Miss Rita Dubuc.

Melvin Villere is a busy prospective groom these days. He spends most of his time in the little love nest preparing the comforts for Isabelle. The wedding will take place on September 14th.

Waveland Highlands is being populated right along and is somewhat of a little village. These folks are looking forward to having electricity through the earnest efforts of Mr. Thompson a resident in this vicinity.

School opened here Tuesday morning with a splendid attendance. Mrs. Hammer has been appointed a new member of the faculty. The school bus will operate again this session.

Mr. Leslie White, Charleston Lander and Harold Zimmerman made a fishing trip to Herron Bay. Mr. White and Charleston caught between them seven fine speckled trout. Harold caught one mullet.

**MOST "TROUBLES" NEVER HAPPEN**

YOUR VOICE, when it takes a trip by telephone, travels over a delicately balanced and highly complex electrical system. Hundreds of things could happen to break up your voice's path. Most of them never do.

These potential "troubles" rarely materialize because the men who direct and operate your telephone system have not been satisfied merely to repair damage after it has taken place. They have demanded that weak spots be sought out and corrected before hand. All the nineteen thousand Southern Bell employees, in one way or another, join in this effort.

Subscribers' lines are checked periodically from the local testboards. The intricate equipment in the central office is tested constantly, particularly the relays and contacts. Emergency power supplies are provided.

Underground cables are filled with gas to detect leaks in the cable sheath. Aerial cables are checked, open wire lines are patrolled, to stop the "breaks" before they occur.

Men and money are required to do this never-ending job of "preventive maintenance," but the work is in keeping with the Bell System's aim to give you a telephone service that is more and more free from errors, imperfections and delays.

**SOUTHERN BELL TELEPHONE AND TELEGRAPH COMPANY**  
INCORPORATED

At the last meeting of the Mayor and Board of Aldermen a contract was signed with Mr. F. P. Joseph, civil engineer, to obtain natural gas for Waveland. The contract is the same as that signed by Bay St. Louis with Mr. Joseph the day previously.

Mr. and Mrs. Ed Orte had as their guests over the week end, Mr. and Mrs. James McBride, Mrs. Pat Burke and Miss Beryl Levy.

The Gulf Theater has started a brand new serial "Robinson Crusoe of Clipper Island" on Saturday nights. This is a 15 chapter serial starring Mala, Mona Clark, Rex King of wild horses and Buch the wonder dog of the screen, along with serial Saturday night will be "The Advantageous Blond" and \$135.00 bank night.

### "RADIO CITY REVELS" AT GULF THEATER SUNDAY AND MONDAY

Jack Oakie, Kenny Baker, Bob Burns and Lovely Ann Miller Offer Grand Week-end Entertainment.

"The Adventurous Blonde" Sat. "The Adventurous Blonde" is the latest and by far the best of the popular Torchy Blane series which stars Glenda Farrell and Barton Mac Lane. Also, included in the cast are Anne Nagel, Tom Kennedy and George E. Stone. By all means see this grand show of mirth and comedy. Saturday plus \$135 Bank Night and second chapter of "Robinson Crusoe of Clipper Island," starring Mala-Mona Clark, Rex King of Wild Horses and dog hero of the screen.

"Radio City Revels"—Sun.-Mon. The ace comedians of screen and radio have been gathered to give the biggest comedy hit of 1938, a show that sets the pace for all others and is destined for high honors at the final round-up.

No. 1 on the list brings us Bob Burns, he writes songs in his sleep which strangely enough become hits. Following him is our No. 2 star Jack Oakie who in his sly way swipes Mr. Burns while he sleeps. Jack is at his best in this show and should please all.

Kenny Baker is No. 3 star and is sure to score a hit as he sings several delightful song hits, and lastly lovely Ann Miller in several novel tapping numbers.

Be sure and see this grand show Sunday and Monday, September 11 and 12.

"Marines are Here"—Tuesday-Wed. The Marines have landed and have things well in hand at the Gulf Theater. A timely story of action starring June Travis, Gordon Oliver. Also comedy.

**Regular Double Feature Program—Thursday-Friday**  
John Wayne in "Westward Ho." Second feature, "The House of 1000 Candles." These two grand features should please all comers. Also movie news.

#### POPE

Senator Pope, of Idaho, who was defeated for the Democratic senatorial nomination in his party's primary, has announced that he will not enter the general election.

### LOUISE RAINER AS NEW ORLEANS BELLE IN "TOY WIFE"

Coming to A. & G. Theater Sunday and Monday—Winner of Two Academy Awards Has Powerful Role.

Old New Orleans in its picturesque period after the acquisition of Louisiana from France by the United States forms the background for Louise Rainer's most colorful role in "The Toy Wife," which comes to the A. & G. Theater this week.

The Anna Held of "The Great Ziegfeld," the Chinese peasant woman of "The Good Earth," and the Rumanian immigrant girl of "Big City," Miss Rainer now turns to the plantation life of the old South as "Froufrou." Bigard, shallow and frivolous daughter of the French aristocracy.

Two leading men, Melvyn Douglas and Robert Young, appear opposite her, Douglas returning to the type of role which he played as John Randolph in Joan Crawford's "Gorgeous Hussy." He is seen as George Sartoris, attorney and rising politician who becomes "Froufrou's" husband.

From the role of the young political idealist in "Three Comrades," Young turns to the opposite extreme as Andre Valaire, roistering young scoundrel who falls in love with "Froufrou" and finally persuades her to leave her husband and run away with him to New York.

Barbara O'Neil, well-known Broadway actress, heads the supporting cast as Miss Rainer's older sister who becomes involved in the triangular romance. H. B. Warner has a strong role as Miss Rainer's father and others in featured parts include Alma Kruger, Walter Kingsford, Leonard Penn and Alan Perl.

A story of the French aristocracy of Louisiana in the 1850's "The Toy Wife" stresses authenticity in all its backgrounds, every set having been copied from some historical original. Dalton S. Raymond, former faculty member of Louisiana State University and founder of its opera department served as technical director. Exterior sequences were filmed on location at Sherwood Forest, "doubtful" for New Orleans' famous old dueling ground, "The Oaks."

### Congressman Colmer Expresses Thanks To Voters of District.

Gulfport, Miss., Aug. 29, 1938.  
Mr. Chas. G. Moreau,  
The Sea Coast Echo,  
Bay St. Louis, Miss.

Dear Friend: Will you be so kind as to express to the people of Hancock county my deepest appreciation for the very splendid vote which they accorded me in the recent primary election.

They were most thoughtful and appreciative of my humble efforts in the past, and I am deeply grateful for the wonderful vote of confidence given me. I shall do my best to merit it in the future.

With best wishes, I am, sincerely yours,  
BILL COLMER.

### WPA Completes 118 School Building In State of Mississippi.

R. B. Wall, WPA state deputy administrator, who is spending a brief vacation on the Mississippi Gulf Coast, announced that the WPA has completed 118 school buildings in Mississippi at a cost of \$3,000,000 of federal funds, since the beginning of the program in 1935. In addition, sponsors of building projects have contributed about \$750,000. Besides the 118 new school buildings completed, Mr. Wall said the WPA had repaired 176 school buildings, built 31 teachers homes and repaired 12 others.

Bay St. Louis public school building, for colored, fast taking shape, is one of the federal projects. Improvement in business conditions seems certain in view of low inventories, sustained consumer income and larger outlays by the Government. Unless war intervenes most business prophets expect a year or two of "recovery."

### Monthly Proceedings Board of Supervisors

(Continued from page 2)

visors of Hancock County, Mississippi, as follows: That proceeding under the authority of House Bill Number 48, enacted at the extraordinary 1938 session of the Mississippi Legislature, and for the purpose of taking up and paying the like amount of legal and undisputed outstanding warrants, accounts and other obligations of said County, and is issued under and pursuant to a resolution duly and regularly adopted by the Board of Supervisors of said County of Hancock on the day of

1938. It is hereby certified, recited and represented that all acts, conditions and things necessary to be done precedent to and in the issuance of this bond in order to make the same a legal, valid and binding obligation of said county, have been done, have happened and have been performed in due and regular form, as required by law; that due provision has been made for the levy and collection annually of a tax sufficient to pay the interest on this bond as it falls due and to provide a sinking fund for the final redemption of this bond at maturity; that the issue of bonds of which this bond is one, together with all other indebtedness of said County, does not exceed any limitation prescribed by the Constitution and Statutes of the State of Mississippi.

In testimony whereof, the County of Hancock, in the State of Mississippi has executed this bond by causing it to be signed by the President of the Board of Supervisors of said county, countersigned by the Clerk of said Board, under the seal of said Board (and for the purpose of the execution of this bond the seal of the Chancery Court of said County is hereby adopted as the seal of said Board of Supervisors), and has caused the annexed interest coupons to be executed by the lithographed facsimile signatures of said officers, and this bond to be dated the first day of September, 1938.

(FORM OF COUPON)

No. On the first day of September, March, 19, the County of Hancock, in the State of Mississippi, will pay to bearer the sum of \$ ( ) in lawful money of the United States of America at the office of the Chancery Clerk of said County, in the City of Bay St. Louis, Mississippi, for interest due that date on its funding bond dated September 1, 1938, and numbered

#### COUNTY OF HANCOCK, STATE OF MISSISSIPPI.

By: President Board of Supervisors  
Countersigned:

Clerk, Board of Supervisors.

Section 3: That in order to make provision for the payment of the principal of and the interest on said Funding Bonds as the same respectively mature and accrue, there shall be and there is hereby levied a direct continuing annual tax upon all taxable property in said county, sufficient to produce in each of the years 1938 to 1948, both inclusive, the sums respectively due in said years for the payment of said principal and interest, and provisions to meet the requirements of this resolution shall in due time, manner and season annually be made.

Section 4: That the taxes herein directed to be levied when collected, shall be credited to a special account hereby created and designated as a Sinking Fund for Funding Bonds of 1938 and the money credited to said fund shall be used for no other purpose than the redemption of the bonds herein authorized to be issued and the payment of interest thereon as it accrues.

Section 5: That the Funding Bonds herein authorized to be issued shall be validated under the provisions of Chapter 10 of the Mississippi Code of 1930, and to that end the Clerk of this Board is hereby authorized and instructed to make up a transcript of the proceedings had in this behalf and to certify the same to the State's Bond Attorney.

Section 6: That when the said bonds shall have been prepared and executed as in this resolution directed, they shall be registered by the Clerk of this Board in a book kept in his office for that purpose, as required by law, and the said Clerk shall endorse upon the reverse of each of said bonds a certificate, in substantially the following form: (Registration and validation certificate)

STATE OF MISSISSIPPI, COUNTY OF HANCOCK, ss. I, A. G. Favre, Clerk of the Board of Supervisors within and for the County of Hancock, in the State of Mississippi, do hereby certify that the within bond has been registered in a book kept for that purpose in my office, as required by law, and the same is hereby validated and set aside, provided, however, that the part of this resolution of this Board adopted on August 13, 1937, which authorized the issuance of \$65,000.00 Funding Bonds of said County; and that, that part of the resolution of this Board adopted April 11, 1938, which authorized the issuance of \$45,000.00 Funding Bonds of said County, be and the same are hereby repealed; the said resolutions adopted August 13, 1937, and April 11, 1938, are repealed, however, only as to those parts and the adjudications contained in said resolutions not being included in such repeal.

## Property Worth Owning Is Worth Preserving.....

THE VALUE of a building whether it be dwelling or store house depends on its condition. This may best be kept to the high point by repairing when such attention is needed and keeping the surface painted. Frequent painting not only sustains value but prevents decay and deterioration.

Paint is the cheapest and most efficient form and lasting element for preserving the surface. Let us give you an estimate on the cost of paint required. We will suggest colors, quality and give all information desired about painting and tell you the kind to use. Our service is free.

## Pass Christian

Miss Leonora C. Del Bondio received a message that her maternal aunt, Mrs. G. A. Blaffer, of New Orleans, who had been at Toure Infirmiry, was able to return to her home in St. Charles Avenue. Mrs. Blaffer was spending the summer at Waynesville, N. C., when she fell and sustained a broken arm, near the shoulder. The "break" was of such a serious character it was necessary she travel back home to have it set.

Lorraine Flower Shop, old and reliable florist of the Mississippi Gulf Coast, is now located in new quarters opposite the former location known for many years. Mr. W. F. Adams, proprietor, has practically rebuilt the old homestead, raising the original building to a height that admits of a full-fledged first-story wherein the new flower shop, refrigeration and show rooms are located. The interior is finished in fine workmanship and a stone finished chimney with tile hearth gives both a cozy and inviting appearance.

St. Joseph Academy of Pass Christian is open all week receiving and registering students for the 1938-1939 session which will open Monday. Mother Ignatius is superior in charge and reports present enrollment exceeds that of last year.

Betty and Billy young daughter and Mrs. Wm. (Billy) G. Simpson, entertained members of the school set at a dance at Miramar hotel pavilion closing the vacation season and prior to the opening of the school year. Mrs. Simpson was assisted in receiving the guests, Miss Betty Simpson is particularly popular and a young social favorite. She was queen of the Pass Christian Junior Carnival, with Junior Lang, son of Mr. and Mrs. A. E. Lang, the couple formal guests of the Bay St. Louis Carnival Court.

The Lorraine Flower Shop has the decorations in charge for the forthcoming Lanau-Martin wedding, which will take place at Bayou La Croix, near Bay St. Louis, on Saturday afternoon, Sept. 17, in the gardens of this Southern home. Miss Nina Martin, bride-elect is daughter of Mr. and Mrs. Fontaine Martin, socially well known in New Orleans and along the Gulf Coast.

Work of laying heavy 6-inch water mains along the beach front and other sections of Pass Christian is rapidly progressing. This is a W. P. A. project which the progressive municipal administration of the town has taken advantage of, believing that in the event of fire, protection of property is paramount.

## Colored Youth Is Charged With Theft Of Bicycle Sunday.

Leon Lymuel, alias Sonny Man, 17, years, a resident of the Pearlington-Logtown area, was arrested Wednesday by Constable Gerald Price while at work on the shortcut project back of Waveland, charged with the theft of bicycle belonging to Joe Williams Sunday night. He was placed in the county jail and will be given a hearing in justice court Thursday morning of this week. Lymuel is of the colored gentry who has been previously charged with offense against the law.

Constable Price reports many bikes are stolen and that there is quite a traffic in the business of selling. He is at present holding a Henderson bike, X006837, valued at \$50.00, which was sold locally to a party by a stranger for a few dollars. It is apparent, Constable Price says, the bike was stolen. He would appreciate being informed of any such proposed transactions in order he may make charges with a view of returning the possibly stolen property to rightful owners. This racket, he says, must be stopped.

### DEVALUATION

The President is expected to resist all pressure for currency devaluation. While international conditions tend to strengthen the dollar and depress foreign currencies, the vast stabilization funds are expected to curb any speculation and prevent a run-away situation.

—Mr. and Mrs. Wilmer A. Kent and family have closed their summer home in Waveland and returned to their home in New Orleans for the fall and winter seasons. Mr. and Mrs. Kent frequently drive over for week-end visits during the cool season, much to their enjoyment.

—Russell J. Elliott, senior son of Mr. and Mrs. L. S. Elliott, left New Orleans Tuesday night over the Southern Pacific R. R. for Cape Girardeau, Mo., with a group of students to resume his studies at the preparatory college there, entering his junior year. He was accompanied to New Orleans by his mother, who saw him leave.

—Owners of homesteads in Hancock county who have not already done so, should file their application for tax exemption at the courthouse, at the office of Assessor George L. Cuevas. In the city such applications should be signed at the City Hall with Commissioner W. L. Bourgeois. Such applications for tax exemptions may be filed only this month. It might be wise to attend to this matter now and avoid the last minute rush. This is the last and only month in which to file the necessary application papers.

## Personal and General

Dr. and Mrs. Jas. A. Evans and family continue their visit to the parental roof of Mrs. Evans at Kingsport, Tenn.

They left here a fortnight ago to be present at the sixtieth wedding anniversary of Mr. and Mrs. Charles S. Boyd, Mrs. Evans' father and mother, marked by a family reunion.

Mr. and Mrs. Boyd have visited here and are no strangers, the latter spending the latter part of last winter visiting locally at the Evans' home and pleasantly remembered.

Local friends join happiest of felicitations and good wishes.

Mrs. C. C. McDonald will leave Sunday night for Washington, D. C. to attend a meeting of the National Board of the National Congress of Parents and Teachers. Mrs. McDonald was elected in May as chairman of the International Relations for the National Congress. Following the three-day meeting in Washington, she will visit her brother, Mr. Robert M. Overall in Pittsburgh over the week-end. Mr. Overall is secretary-treasurer of Gimbel Bros.

Mrs. Edouard C. Carrere returned home last week-end from a stay in Sheboygan, Wis., where she spent two weeks and where she had gone to welcome the return of her son-in-law and daughter, Mr. and Mrs. W. A. Reiss, from their bridal trip to Europe, and who are now permanently domiciled in Cleveland, Ohio where they are housekeeping in an apartment of the fashionable section of the beautiful city. Mr. Reiss is resident executive for part of his father's vast transportation and manufacturing interests.

Local circles miss the presence of Mrs. Sarah A. Powers, who is confined to her home all week, seriously ill with the family physician and trained attendants at her bedside. These tender and solicitous ministrations are participated in by her devoted daughter, Mrs. Effie Power Elliott. Friends hope for her speedy recovery.

Mr. and Mrs. Austin Smith, who have been the house guests of Mr. and Mrs. A. G. Favre, left for their home in Greenville, Miss., last Friday, carrying with them lasting memories of a most delightful stay. This young couple, socially prominent in the Delta, enjoyed the many delights of the open spaces while here.

Judge and Mrs. S. Allen Borden and Mr. and Mrs. A. J. Roy, the former well known attorney of Avoyelles Parish, La., left Sunday for New Orleans en route to their home at Marksville, La., after visiting Mayor and Mrs. G. Y. Blaize. The party were entertained at cards and supper Saturday night by Mr. and Mrs. Chas. G. Moreau and on Sunday Mr. and Mrs. Blaize at a set dinner. The guests planned to spend a day or two in New Orleans.

Mr. and Mrs. Frederick Toledano, who are spending the summer with their relatives, Mr. and Mrs. B. C. Casanas, on the beach, at Nicholson avenue, returned last week-end from Chicago and the Great Lake region, where they spent a fortnight.

Formal announcements have been received in this city from Mr. and Mrs. John Tharin Melver, who reside at Savannah, Ga., announcing the marriage of their daughter, Julia Caroline of that city to Mr. Porter Ingram Barnes, Jr., which took place at Christ Church in the Georgia city, Tuesday, August 2, 1938. Mr. Barnes, it will be remembered, resided in Bay St. Louis with his parents until they had purchased from the builder and original owner, the late Edw. E. Saucier. The happy news will be received with equal pleasure by the friends of the Barnes family.

Mr. Henry Osolanch assisted by his lovely daughter, Miss Cecelia, entertained at a very enjoyable family dinner party Sunday at his home in Front street. Among those present were Mr. and Mrs. A. G. Osolanch, Misses Mary and Elizabeth and Pete Osolanch of Gulfport and Miss Elizabeth and Granville Osolanch of Florida and Mrs. John A. Osolanch of Bay St. Louis.

Miss Abbie Bourgeois had as her houseguest for the week-end Miss Ezell Howell of Meridian, Miss., and Miss Jerry Creepmore of DeCaulb, Miss. Both are schoolmates and sorority sisters of Miss Bourgeois.

Mr. and Mrs. Emmett L. Betzer, who left here a few days ago to resume their residence in New Orleans are charmingly domiciled in Fountainbleau Drive. They will be generally missed this winter in local circles.

Mr. and Mrs. Hubert E. de Ben and young daughter, Melanie, registered at the Reed Hotel for the summer, have moved to New Orleans for the winter. Their daughter has registered at Miss McGehee's School.

Mr. and Mrs. R. T. O'Dwyer closed their summer home on Waveland beach and have returned to New Orleans for the fall and winter season. Mr. and Mrs. O'Dwyer and sons enjoy their lovely beach home and their yacht affords no end of pleasure during the season.

Miss Jane Juden will resume her studies at Teachers' State College at Hattiesburg for the opening of the first semester of 1938-1939 session. Miss Juden completed two

## THE ECHO'S COOKING CLASS

**A** VOCADOS are available almost the year round but their principal season is from November to May. They are high in energy-producing and body-building elements. They contain vitamins A, B, C, D, E, and F. Only the fully ripened fruit should be selected for immediate use. Avocados are ready for use when the flesh has softened so that the fruit yields to the gentle pressure of the full hand. Many unusual and delicious dishes may be created by the modern cook by using avocados.

**Avocado and Orange Salad**  
Cut a peeled avocado in slices. Peel 3 oranges and remove sections from membrane. Arrange alternate slices of avocado and orange on lettuce. Serve with French dressing made with lime juice instead of vinegar.

**Tomato and Avocado Cocktail**  
Pour ¼ cup chilled tomato juice slowly into 3-4 cup chilled evaporated milk. Stir the mixture vigorously. Add ½ teaspoon salt, 3-4 cup chopped ice and ¼ of an avocado cut in bits. Set in the refrigerator to ripen.

**Avocado Sea Food Salad**  
Peel avocado thinly and cut thin in 16 sections lengthwise. Place 2 sections on thin slice on each plate. Between the sections place shrimp or crab meat for lobster. Serve with hearts of lettuce and mayonnaise.

**Avocado and Grapefruit Salad**  
½ cup mayonnaise  
3 tablespoons cream, whipped  
2 avocados  
2 cups grapefruit sections  
Endive  
Green pepper  
French dressing  
Fold the mayonnaise into the whipped cream until well blended. Peel the avocados and cut each lengthwise into 16 strips. Marinate in French dressing for 30 minutes in the refrigerator. Place alternately 4 strips of avocado and 3 sections of grapefruit on 5 crisp stalks of endive for each serving. Garnish the top with a tiny green pepper strip. Serve with mayonnaise and cream mixture.

**New Mexico Avocado Salad**  
1 cup mashed avocado  
¼ cup canned tomato pulp free from juice  
1 teaspoon onion juice  
½ teaspoon chili powder  
Salt  
Mix all ingredients together. Chill. Serve on crisp, cold leaves of romaine garnished with a small dab of mayonnaise.

**Avocado On the Half Shell**  
Cut the fruit into halves lengthwise and remove the seed. Arrange on salad plate with lettuce leaves. Chop fresh, green peppers, finely cut, peeled cucumbers in small cubes. Marinate in French dressing made with lemon juice and only a small portion of oil. Fill the centers of the avocados generously; with a small slice of pickled beet and a sprig of parsley on the side of the plate.

**Avocado With Lime Ice**  
½ teaspoon gelatin  
2 teaspoons cold water  
1½ cups water  
1g cups sugar  
c cup lime juice  
Salt  
1 egg white  
Green coloring  
Soak gelatin in cold water 5 minutes. Make a syrup by boiling water and sugar together; add salt and gelatin and stir until gelatin is dissolved. Cool. Add lime juice and turn into refrigerator tray. When partly frozen, turn out into a bowl, beat with an egg beater and return to refrigerator until it begins to freeze. Again turn into a bowl and beat in the stiffly beaten egg white. Add just enough coloring to give a delicate green. Return to tray and freeze. Chill avocados and cut in halves. Fill with lime ice.

**Simple Salads**  
Peel, slice, cube or cut avocados in wedges. Marinate in lemon juice and serve on salad greens. Slice avocados and spread between the slices finely cut celery, moistened with Roquefort mayonnaise. Mix cubes of avocado with cantaloupe balls. Serve with French dressing into which has been added 2 tablespoons finely chopped parsley, ½ tablespoons chopped pimento, ½ tablespoon of green pepper, chopped, 1 tablespoon finely chopped onion.

## MISSISSIPPI HIGHWAY COMMISSION

### ISSUES MANUAL OF INSTRUCTIONS— ALL RULES TO BE RIGIDLY ENFORCED.

The Mississippi Highway Safety Commission on Wednesday at Jackson released a manual of instructions for motorists in keeping with motor vehicles in acceptance repair for operation on the highways.

The commission also announced a list of standard equipment, largely for use on commercial vehicles, which may be purchased at authorized stations. The list includes flares, fuses, fire extinguishers, directional signals, rear lamp assemblies, clearance markers, reflectors, parking and other auxiliary lighting equipment.

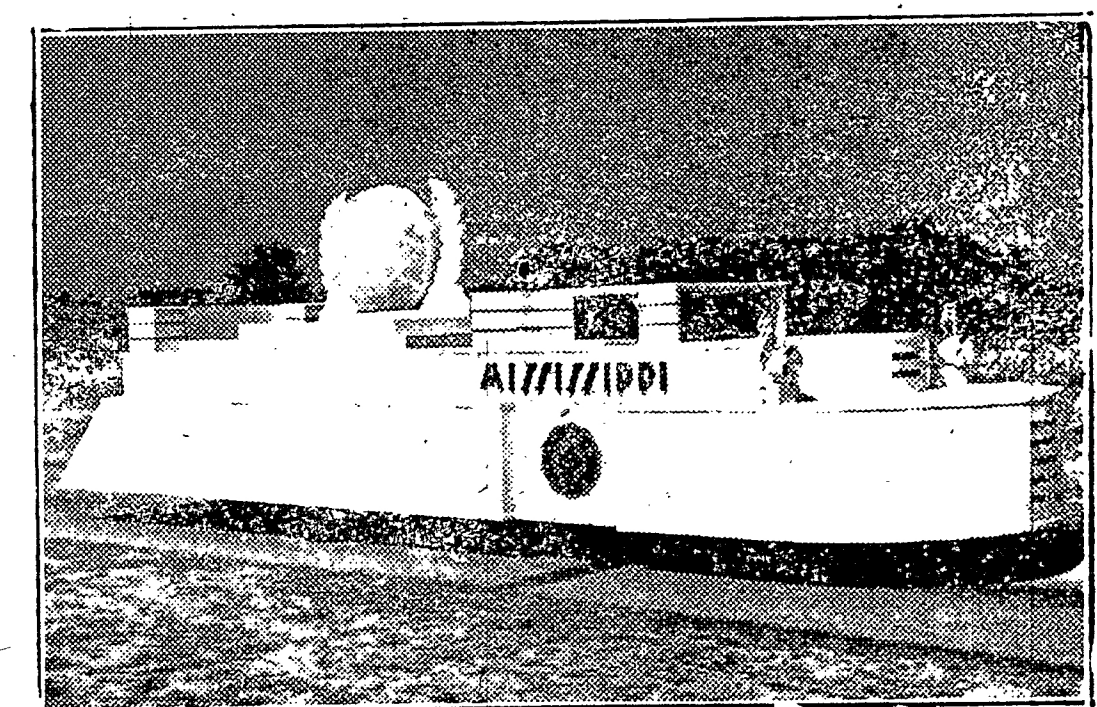

Inspection stations authorized to periodically check all motor vehicles to see that they are in good repair and equipped with proper safety and operation devices are being designated.

Inspection tests will be based on the following requirements:

Every motor vehicle must be equipped with a horn that can be heard 200 yards away (no sirens); a windshield-wiper that works and a rear view mirror; windshields must not be broken, cracked or discolored sufficiently to mar clear vision for the driver; tail lights must be in good order with a reflection to illuminate the license plate; stop lights must show red when brake pressure is applied; parking and head lights must be in good working order and reflector free of trash with lights in proper focus; spot lights must not shine above 42 inches at a distance of 75 feet ahead of the vehicle.

Every car must have a good muffler and cut-outs are prohibited; tires must not be worn more than 50 per cent through the plys; brakes must hold within test limits; spring leaves must not be broken; there must not be more than 2½ inches play in the steering wheel and front wheels must be in alignment. Other requirements include maximum overall weight, height and length.

## PEACE THROUGH PREPAREDNESS

Pictured above as it set out from Jackson on its 5,750-mile trip to Los Angeles and return is the "peace" float, lead parade unit of the Mississippi Legion caravan. The imposing array of floats, aside from that symbolizing peace, depicts the story of Mississippi in agriculture, recreation and history. The caravan, under the leadership of Walter Lee of Jackson, is scheduled to reach Cheyenne, Wyoming, Friday afternoon, September 2. Along with other units of the Mississippi department, the caravan will lead the National parade in Los Angeles, September 20.
